EXPERIENCE

Interior Design Project Manager

Hyman Hayes Associates | Albany, NY

Oct 2024 - Present

- Provide interior design leadership and manage interior design scope across higher education, healthcare, federal/state government, laboratory, and workplace projects from design development through construction documentation.
- Develop and present interior concepts, finish palettes, material selections, finish boards, and visual presentations to support ongoing client discussions and design decisions.
- Develop and coordinate interior drawing packages, producing and revising drawings directly while reviewing documentation for design intent, finish coordination, and detailing.
- Manage finish and material selections, specifications, product coordination, and submittal review in collaboration with project teams, consultants, manufacturers, and clients.
- Established and continue to manage the firm's interior materials library, keeping product and sample resources current and maintaining relationships with manufacturer representatives to support project teams with up-to-date material and product information.

Selected Projects

Higher Education | SUNY Plattsburgh - Myers Hall Recording Studio; SUNY Ulster - Math Center
Healthcare | St. Peter's Hospital - CCU; Trinity Health - Latham ASC Interior Renovations
Federal Government | Stratton VA Medical Center - Cath & IR, SPD
Laboratory / Workplace | Curia Building 17
State Government | NYS OGS - Theater Facility

Interior Designer

Isgenuity LLC | Boston, MA

Oct 2021 - Oct 2023

- Led interior design for healthcare and workplace projects, developing interior concepts, finish and material palettes, client presentations, detailing, and construction documentation.
- Managed day-to-day interior design decisions and coordinated with clients, consultants, manufacturers, and project teams through project delivery.

Selected Projects

Healthcare | Boston Children's Hospital - Karp Atrium Renovation; Baystate Franklin Medical Center; Tufts Medical Center - ICU Bed Expansion; MetroWest Medical Center - Emergency Department Renovations
Workplace | Boston Health Care for the Homeless - 33 Bradston Street Offices
Boston Children's Brookline

Project Awards

2022 Boston Society of Architects - Healthcare Facilities Design Honor Award
2021 Center for Health Design - Healthcare Environment Award

Designer

WL Development LLC | Renton, WA

Oct 2020 - Oct 2021

- Developed residential design drawings, finish selections, and presentation materials in support of project delivery.

Interior Architecture Program Coordinator

Rhode Island School of Design | Providence, RI

Feb 2020 - Jun 2020
